## WORLD REMNANT CONFERENCE

237, Healing, Summit Leader (Ge 41:38)

# MAIN STREAM

## 7 Journeys

(사)세계복음화전도협회  
WORLD EVANGELIZATION EVANGELISM ALLIANCE, INC.

The Remnant's 7 Journeys is an important stream of the covenant found in the Bible.

It is a guide that leads us on the path to becoming spiritual summits.

This journey begins with the Triune God and includes the blessing of the throne coming upon the church (sanctuary) that establishes God's kingdom.

Why did the Israelites spend 40 years in the wilderness,  
raise the Dothan movement, and spend 70 years in captivity?

Why did Paul go to the synagogues in the age of Rome?

It was to foster the strength of the spiritual summit to go on the 7 Journeys.

## 1

## Triune God

### Who am I?

We must remember that we have the invisible background of the spiritual realm. Even now, God the Father accurately fulfills the Word, God the Son fulfills the work of salvation that solves all curses, and God the Holy Spirit is at work through spiritual power. All we have to do now is take the summit time to actually enjoy the tremendous spiritual status and authority we have been given.

## 10 Mysteries

### Where am I?

The 10 Mysteries is a journey to heal the incorrect imprints that cause inevitable failure, and to prepare for the 'summit position' and 'summit attitude' to survive and prevail wherever we are. Our spiritual state is more important than answers because a more accurate answer comes after it.

#### 1) Spiritual Independence (Word)

Do not be deceived by food, clothes, and shelter or the reality around us. We must prepare to

be spiritually independent and survive in the Word wherever we are.

## 2) Spiritual Facts (Prayer)

The most important prayer is being with God Himself (With, Immanuel, Oneness). This is when the God-given CVDIP becomes our prayer topic and we can see the spiritual facts and God's plan beyond the present reality, facts, and truth.

## 3) Unconventional Thinking (Concentrating on God's things)

God's prepared answer is usually on the opposite side, where no one can take it away. Hence, we need to concentrate on God's things by thinking outside the box.

## 4) Synergy Effect (24hr to save the field)

If we set our direction to save many people and pray, meditate on the Word, study, and work 24hr, we can bring about the synergy effect that saves all things.

## 5) Crisis = Opportunity (25hr God's kingdom)

When we see the 25hr work of God's kingdom which establishes the background of its heavenly throne, we can realize that crises are opportunities.

## 6) No Competition (Power to win without fighting / God's kingdom coming upon me)

Once we save others and enjoy crises as opportunities, we will not need to compete since we'd be unrivaled and unparalleled having chosen the crises. This summit attitude of 'no competition', which develops the power to win without fighting, is a mystery that establishes God's kingdom in me.

## 7) Re-creation (Unstoppable power / God's kingdom coming upon my meetings)

This is when Only, Uniqueness, and Re-creation are revealed. The summit attitude of 're-creation', which is an unstoppable power, is a mystery to establish God's kingdom

in our meetings.

#### 8) Seat of the Summit (Leadership studies / God's kingdom coming upon my field)

Having the summit attitude to study leadership from the lowest place challenging towards the height of the 'summit position' is a mystery that establishes God's kingdom in the field (spiritual king of the field).

#### 9) Wilderness, Desert, Wasteland (No >> Every / God's kingdom coming upon my job)

God wants to commission us to the dead wilderness, desert, and wasteland of this age and revive them. This summit attitude to revive the dead places is a mystery to establish God's kingdom upon our job (studies).

#### 10) Absolute Reason (Always ask, "Why?" / God's kingdom that comes upon my main job)

We can find the absolute covenant if we see God's absolute plan under His absolute sovereignty. Then, the absolute journey and absolute goal will follow suit. To this end, the summit attitude that always asks for God's absolute reason is the mystery to establish God's kingdom upon our main job.

## 10 Foundations of Faith

### What must I hold on to?

We need knowledge of the world, but it cannot be a platform of faith. We must not be deceived by the atmosphere of disbelief, but always meditate on the foundations of faith to stand tall as sturdy spiritual summits.

#### 1) God's Sovereignty (Holy Father / work of salvation / healing unbelief)

The Creator God is self-existent. He is the ruler who has been in control of history and the age from eternity to eternity.

#### 2) God's Method (Holy Son)

Jesus Christ is the main figure of God's created history.

#### 3) God's Power (Holy Spirit)

The Holy Spirit who is still at work is God's power.

#### 4) God's Word (Holy Bible)

The Bible is the living Word of God and the indisputable guarantee.

#### 5) God's Sanctuary (Holy people)

Having received God's salvation, we are the most valuable sanctuary where the Holy Spirit dwells.

## 6) God's Plan (Field)

Every seat we take, every place we stand, every region we are in is a missions field, for God is at work.

## 7) God's Reign (Master of life, death, blessings and curses)

God is sovereign over life and death, blessings and curses, and God will guide our every step.

## 8) God's Providence (Finite life)

Every life is finite, inevitably bound to die once, but it is God who knows and plans their life's end.

## 9) God's Judgment (Life after death)

After death and judgement, is life after death (in heaven or hell). (On earth, God bestows upon us the blessings of the throne within our heavenly background and will surely guide us.)

## 10) God's Reward (Evangelist)

The conclusion of our walk of faith is to live the life of an evangelists who shares only the Gospel to save those who are dying. Heavenly reward is guaranteed for this devotion.

## 4

## 5 Assurances

### How must I live?

#### 1) Assurance of Salvation

Assurance that anyone who believes in Christ becomes God's child and is saved.

#### 2) Assurance of Answers

Assurance that God answers when His children pray in Christ's name.

#### 3) Assurance of Forgiveness

Assurance that I am forever released from the law of sin and death by the grace of Christ's cross.

#### 4) Assurance of Victory

Assurance that I will prevail against myself, the world, and Satan by the authority of Christ.

#### 5) Assurance of Guidance

Assurance that the Holy Spirit fully takes responsibility and guides me for I am God's child.

## 5

## 9 Streams

### Why must I do it?

There are great and powerful streams behind every individual, family line, organization and country in various forms. The reason we must receive the guidance of the Holy Spirit and have spiritual communication is in order to change the incorrect streams within them.

#### 1) Height, Depth, Breadth - Communicating expertise (information)

Rather than being biased and having a fragmented point of view, we must consider the breadth, height, and depth of all things.

#### 2) Above, Below, Beside - Communicating in human relationships

We must learn how to be considerate of those who are above, below, and alongside us, whether they are those who we must follow, who we need to lead, or go together with.

#### 3) Past, Present, Future - Communicating time schedule

These are the people who can connect their past, present, and future to save the world with the Gospel and have true spiritual connection.

## 6

## 62 Life Points

### Answers in Advance

Essence of life (21), Prayer (personalization 5), Paths to the summit (7), Communicating with people/field (9), Evangelism strategies (20)

#### 1) 21 Essence (Covenant / See in advance (way) / absolute sovereignty)

We must restore the essence of the life of the evangelist because from long ago, we possess the imprints, roots, and natures of Genesis chapters 3, 6, and 11. This is done starting with only Christ, only God's Kingdom, and only the Holy Spirit, eventually fulfilling His goals through the life methods and answers that God gives.

#### 2) 5 Prayers (Vision / Possess in advance (strength) / absolute plan)

When you begin everything with thanksgiving and focus on God within the Word of the Gospel, personal healing takes place, the eyes to see the future open, and your life and God's Word comes into a balance. These are the 5 principles of personalization.

#### 3) 7 Talents (Dream / Enjoy in advance (journey) / absolute covenant)

First, we must find our talents with the Word of the Gospel and the life stories of the 7 Remnants. Also, while looking towards the works of God, we must personalize Acts 1:1, 3, 8 and find our personal method to succeed in worship and enjoy the blessings of only, uniqueness and re-creation. This is the path of the summit that will put us ahead of the Jews, to save them, and conquer our academics and businesses.

--------------	----------------	---------------------------	----------------	-------------	------------------	----------

#### 4) 9 Streams (Image / Conquer in advance (direction) / absolute journey)

We must look at people and the field with the 9 points that overcome and change the prejudice and ideology of mankind and its incorrect worldview.

#### 5) 20 Strategies (Practice / Fullfillment in advance (eternity) / absolute goal)

The 20 strategies of the Bible save you, save the church, save the field, and save the culture. While enjoying the 5 uniquenesses (5 basics), you must live the life of camp (5 trainings) that God has promised. It is at this point that the system to save the field is established, and with the Gospel, the forces of darkness are blocked and the stream (5 futures) changed.

## Church

### Worship / Sanctuary

In conclusion, everything is connected with the pulpit message of the church. This is a wonderful change in life. We must rescue those who suffer from many spiritual weaknesses before it is too late. We have to breakdown the forces of darkness and restore the economy of light wherever we go, as well. And because we are the only ones who can do this, we must never lose hold of it.
